Friends of Placer High School is a non-profit organization whose primary objective is to promote student welfare in the home, school, and community through the cooperative effort of parents, students, teachers and members of the community. We do this by supporting programs that strengthen communication, provide volunteer support, and through financial assistance that enhances, enriches and supplements district approved activities.

How do we raise money? We do not require membership dues - we ask that you consider a donation. Your donations go toward supporting the mailing of the monthly newsletter, Grad Night, the school library, our Teacher Wish-List program, and other membership approved programs. Our main sources of funds are the donations collected during membership drives. In addition, when parents register for the Raley's/Bel Air, or Safeway, SaveMart Scrip programs, FOPHS automatically receives a check based on a percentage of what was spent.
